

MOBILE ADVENTURES EDUCATION ON THE GO!

Enjoy a hands-on or virtual learning experience for your classroom when you reserve a mobile program with the **Smyrna Outdoor Adventure Center**.

A presentation [for 30 students] lasts approximately 45 minutes depending on topic, scheduling, and grade level. Lessons are based on curriculum objectives and standards that are appropriate for your students' grade level.

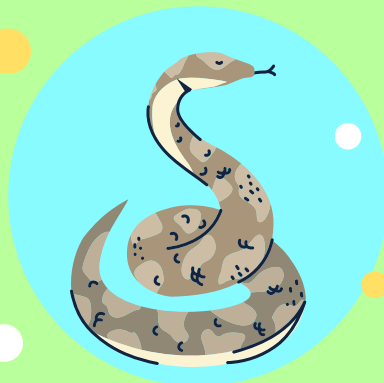

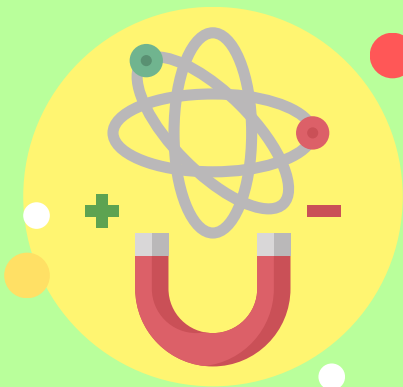

These lessons are also appropriate for after school groups, church groups, scouting troops, clubs, enrichment programs, and can be customized to fit your particular group's needs.

**COST: \$50.00 for the first presentation.
\$40.00 for each additional same-location presentation.
Senior Enrichment Presentations are Free of Charge.**

LET US BRING THE

TO YOU!

LESSON TOPICS:

ANIMAL INVESTIGATIONS -

Put on your investigation hat and experience the different adaptations that make animals amazing! Our knowledgeable staff will share opportunities for participants to meet live animals and explore a lesson about habitats, food chains, animal adaptations, life cycles, and/or classification of species.

Teacher's Choice of Sub-Topic: Vertebrates or Invertebrates.

MAGNETIC MARVELS -

Observe the invisible force of magnetism! Participants will gain an understanding of how magnets work and interact through a hands-on lesson exploring magnetic polarity, force, and strength. Students will have the opportunity to examine a lodestone, a naturally occurring magnetic rock that contains magnetite.

OUTDOOR SKILLS -

Put your survival knowledge to the test! We will cover how to prepare for a camping trip or we can discuss how to survive an unexpected length of time in the woods. Topics include Fire Building/ Fire Safety, Nature's Rule of Three, Shelter Building, and Water Collection/ Water Treatment.

TEAM BUILDING -

Through varying types of group challenges, we will develop important team skills like Communication, Leadership, and Problem Solving. Participants will learn conflict management strategies and ways for every member of a team to contribute to their overall success..
